BAND DESCRIPTION

The Apollo Alnac 4G Winter is a high performance winter tire.

Thanks to the advanced slat technology of this tire, your car has excellent traction and handling when you drive your car through curves.

The stepped longitudinal grooves provide extra grip on wet, snowy and icy roads.

In addition, this tire has a low noise level which ensures

-  Fitting new tires takes on average 45 minutes.
-  We always offer personal advice
-  Specialist in tires, rims, MOT and car maintenance
-  Inquire at the location about the options for replacement transport or a loan bicycle
